3) Five Regional Offices have been established in Bangalore, Mangalore, Mysore, Dharwad and Gulbarga to look after the administration of private aided colleges comming under the perview of Bangalore, Mangalore, Mysore, Karnataka and Gulbarga Universities respectively.

Each Regional Office is headed by a Deputy Director. No complaint of increasing of work load has come to the notice of Government. Hence the question of creation of more number of Deputy Directors' post does not arise.

Distribution of Funds under HUDCO, NRWS, NREP, and IRDP in Constituencywise.

1091. SMT. MANORAM MADHWARAJ (Udupi).-Will the Minister for Rural Development Panchayat Raj and Wakfs be pleased to state that

a) Whether the Government is aware that the allotment of funds under HUDCO, NRWS, NREP, IRDP are distributed talukwise instead of constituencywise ?

b) Is the issue of changing this system before the Government?

c) Whether the Government will think of increasing allotment of Rs. 4,500/- to 7,500/- under HUDCO scheme for a house ?

SRI ABDUL NAJEER SAB (Minister for Rural Development Panchayat Raj and Wakfs).—

HUDCO	NRWS	NREP	IRDP
Released district wise	Releases made sector-wise	Releases are made taluk-wise	Releases are made taluk wise
No	No	No	does not arise

Production of Improved Variety of Agricultured Seeds.

1210. Sri R. Ramaiah (Hiriyur) — Will the Minister of State for Agricultural be pleased to state that.

a) The names of the Government and private centres where improved veriety of agricultural seeds are produced during past 10 years.

b) Whether it has come to the notice of the Government that sub-standard paddy and cotton seeds are being used by the farmers even after the Central Seed Corporation have approved which are the seeds to be used and thereby loss of crops.

c) Whether this was brought to the notice of the Government, if so any compensation is paid to the farmers for these who had particularly used paddy seeds.

d) Whether Karnataka State Seeds Corporation has informed Karnataka Government that seeds supplied were sub-standard and cause loss to the farmers ?

SRI M. P. PRAKASH (Minister of State for Agriculture).—

a) The agencies involved in seed production are the University of Agricultural Sciences, State Department of Agriculture, Karnataka State Seeds Corporation through their grower members, the National Seeds Corporation, the State Farms Corporation of India and private agencies. A list of centres is laid on the table of the House.

b) Quantity of certified and truthfully labelled seeds of paddy and cotton non-hybrids supplied is only to the extent of 16.77% and 9.79% of the total requirement respectively. Full requirement of certified seed of Hy-Cotton is being met. Farmers are alse permitted to spare to their neighbours seeds which have been notified. These seeds need not be certified.

c) There may be occasions where even certified seeds have failed to give expected yields for a variety of reasons. There is no provision to compensate farmers for such lower yields.

d) Complaints received are being individually looked into.
